Subject: [Chasing Evil] Another Update on Hate Monger, Human Trafficker

UPDATE TWO ON HATEMONGER ARRESTED FOR HUMAN TRAFFICKING

We had previously written about Jeanette Runyon, a virulent hate monger, cyberstalker, and psychiatric patient [here](#), [here](#), [here](#), and [here](#). We have shown, using her own statements, her persistent and unreasoned hatred towards blacks, Jews, Muslims, Christians, and anyone who had the tenacity to tell her that hatred is wrong. We had even shown her 21 page long criminal history, including violent crimes.

A [recent article here](#) had shown that Ms. Runyon was [arrested in the Ukraine](#) on November 5th, 2007, for using forged documents in her attempt to illegally buy a baby from a young Ukrainian woman. Ms. Runyon was subsequently convicted on engaging in human trafficking, and extradited back to the United States.

Information from US Department of Justice source shows that Ms. Runyon's attorney has been informed of the charges against her, and is in discussions to negotiate a plea deal. At this point, since Ms. Runyon has been informed of the charges against her, it is safe to reveal the charges against Ms. Runyon without compromising any investigations. Ms. Runyon remains under house arrest, under the supervision of the U.S. Marshall's Service, until her arraignment on the new charges, or until a bed is found by the BOP for her to serve out her [sentence](#) on human trafficking charges from the Ukrainian court.

The following is a summary of the new charges, and is not intended to be interpreted as a legal document:

COUNT THREE: In that Ms. Runyon made a false statement to officials of the U.S. Dept. of State when she claimed that she had the right to remove an infant child, i.e. Ukrainian Baby Doe, from the Ukraine; in reality, she had kidnapped the child from its biological mother.

COUNT FOUR: In that Ms. Runyon made the false statement to officials of the U.S. Dept. of State when she claimed that she had a legal contract with the biological mother of the Ukrainian infant child, when in reality she had no such document.

COUNT SIX: In that Ms. Runyon presented a forged certificate of live birth to officials of the U.S. Dept. of State, wherein the forged document purported to show that Ms. Runyon and her husband were the biological parents of a Ukrainian infant, in reality neither Ms. Runyon nor her husband were the biological parents.

COUNT SEVEN: In that, during December 2007, Ms. Runyon presented to the public a document that she claimed was an official U.S. Government
