Hate Speech - Exposure is Working[Message List](#)[Reply](#) | [Forward](#)Message #711 of 1185 < [Prev](#) | [Next](#) >

To those who selflessly devote their time and efforts exposing hate speech, bigotry, and even hate speech that is so extreme it aids terrorism, take heart -- our exposes', articles, letters, emails and complaints about these are not being ignored. America is paying attention and acting to end this most perfidious form of evil. Many of these sites are seriously damaging our country's efforts in the war on terror, or breeding other hate mongers, or violating federal laws.

UPDATE 7/2/07 Robert Spencer's hate speech site Jihad Watch has been banned from some of the major search engines, some college campuses, city and county libraries around the USA, and in most Muslim countries, now it has been banned by the Chicago Police Dept. as hate speech. <http://rue-st-michel.blogspot.com/>

UPDATE 7/4/07 INDEPENDANCE DAY - INDEPENDANCE FROM HATE SPEECH - For

those who believe that no one is paying attention to the growing number of exposes' on hate speech and how it supports the enemy, consider that Spencer's Jihad Watch site has, in very recent days, been blocked or banned by: City of Chicago, Chicago Police, Bank of America, Fidelity Investments, Site Coach (an Internet filtering program), GE, JP Morgan Chase, Defense Finance and Accounting Services, the U.S. Government, MSNBC, AFSCME, Marriott Corp., and American Airlines. More to come!

Next Step: Getting ISPs to ban access to hate sites. Policies for blocking access to hate sites are already in place at AOL, Earthlink, Microsoft, and Yahoo. Next, we get them to enforce their policies. Not to only remove the worst offenders, but block access to their websites, so that users of AOL, Earthlink, Microsoft and Yahoo will not be able to access the hate sites. Ultimate goal: Getting Microsoft to block access to these sites to anyone using Internet Explorer. Ultimate-Ultimate goal: Indictments.
